Hotel, valet, event operations

Residential, commercial complexes

Sport arenas, convention centers

University, medical campuses

MODULES

- Operations Management
- Billing and Clearing
- Energy Management System
- Driver Services
- Analytics and Reports

OPERATION MANAGEMENT

- **Customizable Dashboards** – View and track your entire charging network data.
- **Visual Maps** – View charger's locations and status.
- **Remote Updates** – Optimize device uptime and TCO with self healing algorithms.
- **Charging Network Hierarchy Management** – Build up your charger's network hierarchy.
- **Monitoring and Diagnostics** – Receive events and alerts via SMS or email in real time.
- **User/Role Management** – Easily set user roles and authorizations.

BILLING AND CLEARING

- **Multi-Currency Billing System** – Support payments in 32 currency types.
- **Configurable Payment Packages** – Set pricing based on location, time, power consumption and more.
- **Merchant of Record (MoR)** – Secured and pre-authorized transactions.
- **Provide Configurable Tariff Rates and Payment Plans** – Enable subscription-based payments, prepaid cards, credit cards, Apple Pay and more.
- **Automate e-Receipts** – Send your customers an automated receipt.

ENERGY MANAGEMENT SYSTEM

- **Smart Charging** – To optimize energy consumption for your infrastructure.
- **Network Stability** – Real time communication with the grid to ensure network stability.
- **On-line Load Management** – Balance the power used for your charging network.

ANALYTICS AND REPORTS

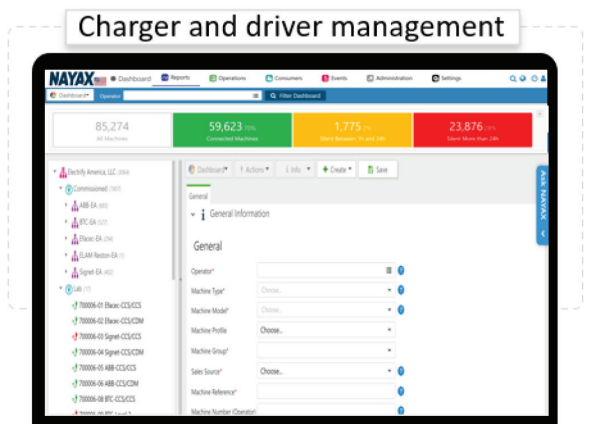

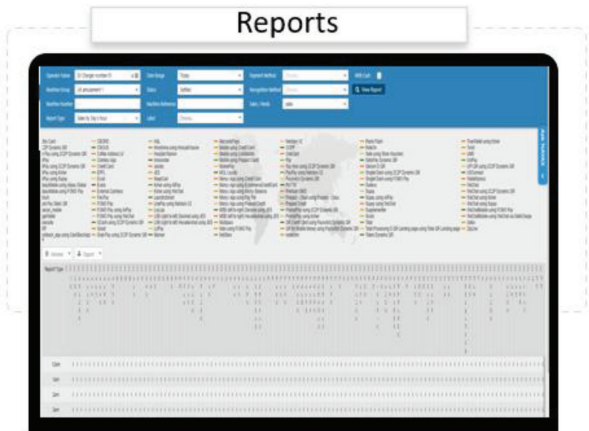

- Energy Consumption
- Financial Transaction
- Invoices
- Customized Reports

DRIVER SERVICES

- **White Labeled Mobile App** – A branded app for operators to share with customers.
- **Quick Navigation** – Easily locate charging stations.
- **Reserve a Station** – Ensure the availability of a charger by reserving a charging station in advance.
- **Start Charging** – Activate your charging from your mobile.
- **Send an Automated Receipt** – Automatically receive a receipt for your transaction.
- **Track Charging History** – Execute history for all your charging.

Increase customer satisfaction and loyalty with the TIBA Advanced EVC's white labeled mobile app. Allow your customers to:

- Easily locate charging stations
- Reserve a station in advance
- Activate charging from their mobile device
- Receive automated e-receipts
- Track charging history
